

The Chemical Biology Program

The Chemical Biology Program provides support for students in years one and two. Support then becomes the responsibility of the student's advisor for the third and subsequent years.

These rates are effective July 1, 2014 – June 30, 2015:

<u>Student Year</u>	<u>Tuition & Fees (per year)</u>
First and Second Year	\$43,774
Third and Fourth Year	\$13,866
Fifth Year and Above	\$ 6,032

Stipend \$34,608 (\$2,884/mo)

***For budget projections, please estimate a 3-4% yearly increase.**
