(Required as either a component of this nominating letter, as a separate addendum to the nominating letter, or as noted on the Assistant and Associate Term Appointment Promotion Cover Sheet FORM)

Dr. (candidate's last name) is a faculty member in good standing with an appropriate hospital appointment and associated credentialing (for clinical faculty). To the best of my knowledge, other than as may be indicated in this letter, Dr. (candidate's last name) has not been sanctioned or disciplined by a hospital, state licensing board, the NIH, the FDA, or any other legal, regulatory, or institutional authority. There are no current investigations or other concerns known to me that raise questions about his/her integrity, professionalism, competence, or the quality of his/her contributions as a faculty member of Harvard Medical School.
